16.70	L	IL. 100, downtown Grafton
Continue through Grafton. Bikers may want to eat at the Boat Dock.		

This is a detailed black and white map of a region in Illinois, likely from a historical or topographical survey. The map features a grid system with coordinates labeled along the edges: 80°00' to 90°00' longitude and 30°00' to 36°00' latitude. Key geographical features include the Mississippi River flowing along the western and southern edges, and several islands such as Mason Island and Bel Trees. Major roads are depicted, including Route 100 (labeled 'RTE 100 BIKE PATH') and Route 3. Towns and settlements shown include Joe Knight, Newbern, Lock Haven, and Chautauq. Other locations marked are Y-Croxford, Salem, and East Newbern. The map also shows various smaller roads, such as Chambers Road and Piassa Road, and numerous smaller islands and water bodies. A compass rose is located in the lower-left corner, indicating North (N), South (S), East (E), and West (W). The map is densely packed with labels for smaller features and landmarks, providing a comprehensive view of the area.
