

## Addendum to STLRC Newsletter for January, 2023, from President Faye Holdenried

### Recognizing STLRC Members' Milestone Birthdays

Several members have celebrated, or will soon be celebrating milestone birthdays. We wish to start recognizing milestone birthdays in the monthly newsletter. Congratulations to you all. We are thrilled that you are continuing to cycle and we want you to know that you are truly our role models.

Unless someone notifies me, I do not know of additional members that are celebrating big birthdays. Please let me (Faye Holdenried) know who would like have their upcoming milestone birthday recognized. Send me the member's name, birthdate, milestone age, and address (can be found in the Members Protected Area of [STLRC.org](http://STLRC.org)). Please make sure they wish to be honored in this way. If their birthday has already occurred, that's OK! We can add it to the next newsletter. You may text me (636-399-4604) or e-mail me at [fholdenried@hotmail.com](mailto:fholdenried@hotmail.com).

So, who is celebrating, you may ask? Here they are (in alphabetical order)

**Robert Glass** reached the big 80 during the height of the pandemic, September 26, 2021. His address is 13353 Land O Woods Drive, St. Louis, MO 63141.

**John Jauss** will be 80 on February 1, 2023. Congratulations John! His address: 11057 Easy Street, St. Ann, MO 63074. Your card can be on time if you hurry!

**Dale Lindsey** celebrated his 80th birthday last summer, on July 14, 2022. And he just bought a new road bike!! 269 Eastbrook Drive, Troy, MO 63379.

**Dotty Menetre** will be celebrating her 90th (WOW!) birthday on February 23, 2023. Go, Dottie! Her address is 2316 Seven Pines Drive, Unit #6, St. Louis, MO 63146.

**Rick Schuchet** just celebrated his 80th on January 9, 2023. Thank you for leading the Saturday Morning Coffee ride so often. 427 Hickory Glen, Creve Coeur, MO 63141.

And **Granville White** also celebrated his 80th birthday during the height of the pandemic on October 23, 2021.

Again, congratulations to you all and keep on pedaling!

**Dues Reminder:** If you have not already paid your 2023 STLRC dues, please send them in by January 31, 2023 to avoid the \$5 late fee. Dues are \$20 through January 31, 2023, \$25 from February 1. New members joining after June pay \$10 for the remainder of the year. If your emergency contacts and everything else are the same, you only need to sign and date the [Membership Form](#). If something has changed, please update your form. If you can't remember if you have already renewed, check the Protected Members Area. If your name is listed, you have already paid your dues. In the event that you need to update your emergency contacts or other info please contact Patti Brumleve, [grptim@sbcglobal.net](mailto:grptim@sbcglobal.net).

The password is still Bike&Hike2022. It will change at the end of the month. The new password will be sent to all paid members at that time and you will get an email with the new password. Once your name is listed in the 2023 Protected Members Area, please check for accuracy. And it is important to check the website daily so you don't miss out!

**Hike Reminder:** Since our hikes are no longer club events, anyone can hike with us. So, if you have a family member or friend that likes to hike, they are welcome to attend. No membership fees.

Happy Biking and Hiking,  
Faye Holdenried, STLRC President
