

## Yearly Gravel Cycling Favorite Rides of STLRC Members

Most of these activities are not STLRC Events and are not covered by STLRC Insurance

We are trying to compose a list of organized gravel bike rides or tours, in town or out, that our members may be interested in. This will be in a monthly format and would appreciate any input our members could contribute to this list especially if you have had good experiences. Please send your suggestions to: Joe Kruchowski [jsjcat@sbcglobal.net](mailto:jsjcat@sbcglobal.net) for inclusion on this list.
